| ■ Warm Sunshine | ■ Purple Wine |
| ■ Caramel Toffee | ■ Cosmic Berry |
| ■ Paper Bag | ■ Bamboo |
| ■ Pastel Sunrise | ■ Parrot |
| ■ Canyon Clay | ■ Olive |
| ■ Burnt Red | ■ Moss |
| ■ Mahogany Bark | |

Designer's Tips:

While stenciling, slightly offset the colored areas from their outlined counterparts. This will result in a trend-setting look!

Use the stencils on the stamp set OR on the 3D Embossing Folder. The stamp set will give you a bold look, and the folder will be much softer.

Flip the stencils over to add color to the mirrored versions of each floral arrangement!
