

Step 1: Cut 5 pieces and organ fold them.

Step 2: Layer over and line up end sections of each piece until all 5 pieces are connected in a circle.

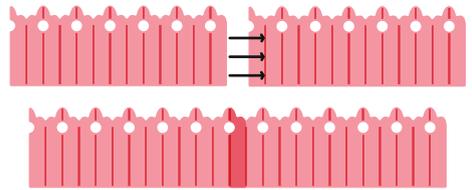

Step 3: Once glued into a continuous circle, flatten them and hold down while placing a dab of glue in the center. Push and hold pieces tightly towards the center until glue dries.

Step 1: Cut 3 pieces and organ fold them.

Step 2: Layer over and line up end sections of each piece until all 3 pieces are connected in a circle.

*Layer together*

*for additional 3D effect!*
