HOW TO RECREATE:

1. Cut & fold A2 card base from cream cardstock.
2. Use Dotted Chevron coverplate die directly on front of cardbase.
3. Diecut large tag from Shaker Tag Book die from white cardstock.
4. Diecut Fall Leaves die twice from white cardstock.
5. Adhere tag to cream cardbase using foam adhesive at a slight angle.
6. Arrange Florals around tag, tucking a small one under upper right corner of tag, and adhering front one with foam adhesive, tucking fall leaves dies underneath and adhering with liquid glue first.
7. Stamp sentiment from Thanks for Being there with Warm Buff ink, die cut with coordinating die, cutting 2 extra layers unstamped to layer together for dimension. Adhere with liquid glue on tag, leaving right part floating free.

9. Optional: Don't be afraid to cut your florals apart to make them fit - especially if you are going to tuck them under the tag on this card.
