HOW TO RECREATE:

1. Cut & fold A2 card base from white cardstock, then diecut the Dotted Chevron die to the front.
2. Ink blend a white A2 cardstock panel in a rainbow gradient using the following colors: Bubble Gum, Berrylicious, Clementine, Sunshine, Key Lime & Mermaid Cove.
3. Diecut the blended panel using the Secret Garden die.
4. Diecut an ivory glitter cardstock panel using the Secret Garden die.
5. Cut the glitter panel in half, and adhere to the card front so a bit of it will peek from behind the top layer.
6. Adhere the rainbow version to the top with liquid glue only on the outer edge.
7. Stamp the sentiment in Detail Black to white cardstock.
8. Diecut the sentiment with the coordinating die, along with two additional layers. Stack & glue together.
9. Adhere the sentiment to the card front with thin foam strips.
10. Accent with jewels to finish.

TIP: The Secret Garden die is quite intricate. If you are struggling to get a clean cut, make sure your plates aren't warped. Then feel free to use a piece of bubble mailer underneath to give added pressure without too much wear & tear on your diecut machine.
