

Sizzix Effectz™ - Pearlescent Medium

Create unique color effects with our Pearlescent Medium! Mix this with our Creamy Matte Acrylic Paints to add a professional pearlescent look to all of your makes. Alternatively, use with our Creamy Metallic Acrylic Paints to add that extra shimmer! The Pearlescent Medium can also be used as a standalone product, to add an extra sparkle to your projects.

- Adds a shimmery pearlescent finish
- Thicker consistency to match the heavy body of the Creamy Acrylic Paints
- 100ml
